DETAILED ACTION

This Office action is responsive to communication received 07/11/2005 –
Amendment.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1-17 are allowable over the prior art references of record for the reasons advanced by the applicant on page 7, line 17 through page 8, line 4 of the remarks, received 07/11/2005. The newly cited prior art references to Chen ('841) and Takeda ('183) show face inserts of interest, but fail to show, suggest or otherwise render obvious the inclusion of a soft metal layer disposed in a recess in combination with a thin face that entirely covers the front edge of the shoulder portion of the body out to the outer perimeter of the head body and a solder layer on the back side of the face plate, as further claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

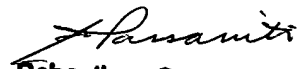

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Monday through Friday (6:30AM - 3:00PM).
